My Friend Dave By Amy Jo Underkofler

He cares about life, though his is not fair, Such a sweet boy who lost his hair, A deadly disease put his precious heart to a test,

Courageously he fights, I admire his spunk, I want to tell him how I adore him, but I can't find the words to tell him how I feel.

It's an awe that's indescribable, like a rush of

It's an awe that's indescribable, like a rush of fear.

He listens to and he cares about what I think and how I feel.

Every day we speak, I think about how I wish he were healthy and well.

Altough I miss his smilimg face, I know someday his smile will be carefree and mild. Such a dear friend I hardly deserve, one who is there and keeps me as sane in my mind as I should be all through time.

He's taught me how precious life is, and how foolish I was for not wanting to live.

One thing I'll say, his honesty, so pure, unaltered, and sure, reminds me that God made no mistake when he gave me my friend Dave.

Do you have a pass?

Get out of my face.

Groovin'!

Swack!

.....

Enjoying the high life.

Wrestling

The 93-94 edition of the Hingham Hockey team was dominated by the underclassmen. Lead by co-captains John Mahoney and Kurt Wilner as the only two Seniors, the Harbormen looked to a handful of Juniors and a plethora of talented Freshmen and Sophomores to play key roles. After last years graduation wiped out the core of forwards on the team, they looked to a strong defense, lead by John Mahoney, Dave Delgallo and Kurt Wilner, as the foundation for the team. This years team looked to capture their 5th straight league title and another strong bid for the State Championship.

The Student Council strives to achieve a better way of life for H.H.S. and for the community as a whole. One of our greatest achievements this year was establishing a program to award seniors with a "B" or better average throughout the year, in any subject, exemption from that courses final. We also worked to give back as much possible to society. This year each class donated to a specific charity. We hope that we've left H.H.S. a desire to continue to pursue these goals, and to set new ones for the future.
